Huntley

8 month old Huntley is ready to go out on a Saturday night to Fisherman's Wharf.

Just Judie

The work of Caroline's Kids is supported entirely through donations.

It is with deep gratitude that I thank each and every donor for their generosity so far this year. Without your continued support we cannot carry on our mission.

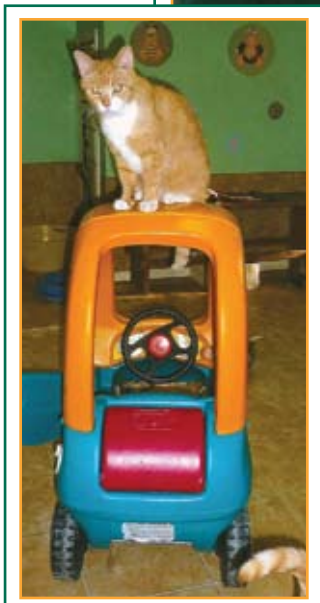

Your kind words and notes of support for our work mean so very much. Each one is appreciated beyond words.

Please remember to include CK in the matching gift program if one is available at your place of employment. Remembering the sanctuary cats in your will also makes a difference.

We are always in need of cleaning supplies for daily chores along with wet and dry food and litter.

These donations can be dropped off at the sanctuary any day; we are open 7 days.

I thank you in advance for anything you can do to help us help the cats in our care. They are being given a second chance, and for most, loving care for the rest of their lives.

FIV+ cats enjoy the day.

Marley, 15 months, enjoys an afternoon nap in "the park" aka Adoption Room.

Huntley's best buddy, 1 year old Chong, enjoys an afternoon of birdwatching.
